We are adjusting to meet your needs and the high volume of takeout meals!

In addition to the Tuesday dinner specials, we are adding a warm lunch on Wednesdays, and a second dinner special on Fridays. Please note: Pickup for all meals will move to the Kitchen (instead of Bistro) to accommodate our expanded offerings and enable increased quantities.

Both dinners will be available for preorder until the designated ticket cut-off date and packaged for takeout only from 4:00 – 6:00 pm. Please preorder and pay by stopping in or calling the Activities Office at 520-371-5840 or 520-371-5841.

Lunch will be available from 11:00 am – 1:00 pm for walk-in service and packaged for takeout only.

We are also discontinuing our Happy Hour Menu at the Bistro from 3:00 – 5:00 pm due to very limited patronage, which will enable us to focus on the following:
